

LRI Emergency Medicine HST local Teaching Program August 2023 - 2024

The LRI local Teaching Program will be delivered at the LRI (face to face wherever possible) on the first Tuesday of every Month. There is a WhatsApp group which will be used to update you of any last minute logistics.

The structure of the day will be:

- 09:00-12:00 Morning Session
- 12:00-12:30 Registrar meeting with Wellbeing lead/College Tutor
- 12:30-13:30 Lunch
- 13.30-16:00 afternoon session

Expectations for the sessions:

- Except where stated each session will be led by a registrar with a supporting consultant
- That sessions will be prepared and discussed with the supporting consultant at least 4 weeks in advance of the session
- That the need for a coffee break will be considered
- That part of the session will be delivered by the designated registrar (who will get formal feedback on their teaching)
- Sessions are aligned to the curriculum
- Practical sessions will include a drill (with support from the education team) where stated
- That when you have been released for teaching that you will attend the whole day
- For USS training and sessions that might include patient interaction please ensure you have scrubs with you
